

STONINGTON MAN FOR SENATOR

Frank H. Hinckley Nominated by Republicans of Twentieth District—38 Delegates From the Towns Attend—Marion R. Davis of East Lyme Chairman.

Frank H. Hinckley was the choice of the republican senatorial convention of the 20th or senatorial district for senator which was held in the town hall Wednesday. The chairman of the convention was Attorney Marion R. Davis of East Lyme, and the office of clerk was filled by Joseph Killen of Montville. A committee on credentials was chosen and it consisted of Peter Taylor of Waterford, C. J. Abell of Lebanon and Jerome Anderson of Stonington. After retiring to an ante-room, they reported the following list of delegates which represented all the towns in the district: Peter Taylor,

ator were then called for by Chairman Davis. James Cooper made a speech in which he reviewed the history of the republican party for the last decade, and also the work of President Taft. Mr. Cooper said that he was dissatisfied with the way that the tariff had been treated and said that the party promises should have been respected and the tariff cut down. The speaker said that he could see no hope on the democratic side and was not in favor of a college president and a democratic for the president of the United States. He said that the salvation of the nation lay in the republican party, and urged his audience to stand by it. Mr. Cooper concluded by nominating Frank H. Hinckley amidst applause as a candidate for the senate.

James Cooper and W. E. Clark were named a committee to find Attorney Hinckley and present him to the convention, as there were no other nominations. They soon returned with him and he spoke on part as follows: The nomination just tendered me as a candidate to the senate from the 20th district is an honor, and in accepting it I will do my best to serve the public faithfully. I believe that my party is nearer right than any other party, and that is the reason that I am a republican. I believe in the policy of protection to American industries, in the direct primary and also believe that there are many officials who are appointed to office that the people should nominate and elect. If I am elected I will work for the direct primary and in behalf of the interests of the laboring men who have made this country what it is at the present time. We will succeed if each man will do his part for the republican party from now until election night.

The delegates were invited to dine with Mr. Hinckley at the Wauregan house and the invitation was accepted. A senatorial committee consisting of Samuel Hyde of Franklin, James Cooper of Stonington and Lee L. Brockway of Lyme was then chosen. The convention was then adjourned and a short reception was held by Mr. Hinckley.

Mr. Hinckley was born in Stonington in 1867 and is a successful lawyer. He served in the legislature of 1899 and 1901. Mr. Hinckley was a member of the judiciary committee in 1899, chairman of the committee on roads and highways in 1901, and also a member of the committee that revised the statutes. He is well known in this county and was for years prosecuting attorney for the town court of Stonington.

The total number of trials in 1912 was 140, divided as follows: Convictions 107, acquittals 26, acquittals on ground of insanity 4, disagreements of jury 4.

SWIM THE THAMES WITH HANDS AND FEET TIED.

Buster Ellonsky Has Three Mile Swim Mapped Out.

Henry Ellonsky of New London, better known as Buster, the Human Fish, will attempt a novel swimming stunt today. Ellonsky has swam from Norwich to New London, from Ocean Beach to Fisher's Island and other long distances, as well as attempting to swim from Charlestown bridge to the Boston light.

He is going to tie his hands with a chain and also his feet and then attempt to swim from the navy yard on the Thames to the New London public landing. This is a distance of very nearly three miles, and it will be some test of Ellonsky's endurance.

Ellonsky has been practicing swimming with his hands and feet tied at the beach the past week and has made long swims. He is confident of being able to make the swim.

PUBLICATION SOCIETY WORK.

Baptist Women Conduct Programme With Chapel Cars and Colporteurs as Subject.

The October meeting of the Women's Home and Foreign Missionary circle of the First Baptist church was held Tuesday afternoon with Mrs. Minnie Amburn of West Main street. Mrs. Jacob Starkweather conducted the devotional exercises, reading from Cor. 13, and offering prayer. Mrs. Starkweather took Love as her subject for a short talk.

The hymn, My Faith Looks Up to Thee was sung. Following the regular business, the afternoon subject, Work of the Publication Society, Chapel Cars and Colporteurs was taken up. Mrs. William Gilchrist read, What the First Colporteur Did.

The Exciting Experiences of Colporteurs' Work, was read by Mrs. Frank Church; The Chapel Car and Its Field, Mrs. Lemuel Park; Chapel and Good Will Work in Idaho, Mrs. William Gilchrist; Short sketches on Chapel Car Work were given by Mrs. Hattie Sargent. Those Barrels, a missionary story, was read by Mrs. Mary Dolbear. Mrs. Gilchrist gave an interesting report of the meeting of the Baptist association recently held at Niantic.

The regular missionary letter was read by Mrs. Mary Dolbear. The meeting—full of interesting papers—was closed with the Mizpah benediction.

Discussed Night School Matters.

The town school board met on Wednesday evening in Principal Graham's room. Matters in relation to the night school were discussed, but without coming to a conclusion. The meeting adjourned until this afternoon.

At Brown Trustees' Meeting.

Judge Lucius Brown was in Providence attending a meeting of the trustees of Brown university, of which he is a member. Judge Brown made the trip to Providence by automobile.

The man who is sure he can't never will.

Pimples Go--- Beauty Comes

You Just Can't Help Having a Beautiful Complexion If You Use Stuart's Calcium Wafers.

Pimples! Horrors! And what a wonderful change when they are all gone. Most everyone has noticed this.

Nowadays when you see a real beauty, the chances are Stuart's Calcium Wafers wrought that wonderful change. It takes only a short time, even with very bad complexions—the kind that are disfigured with rash, eczema, boils, blotches and liver spots. Stuart's Calcium Wafers cause the skin pores to breathe out impurities. The lungs burn up a great amount, but Nature imposes upon the skin the larger burden. Every tick of the clock means work work work for these wonderful Wafers. And every instant new skin is forming, impurities become less and less, the pores are re-invigorated, and soon such a thing as a pimple, blackhead or any other eruption is impossible. You marvel at the change.

The soft, rosy tint love-taps the cheeks, the neck, shoulders and arms show the health of youthful skin—in you just can't help having a beautiful complexion if you use Stuart's Calcium Wafers. They are put up in convenient form to carry with you, are very palatable, and are sold by druggists everywhere, at 50 cents a box.

Will Be Courtmartialed.

The non-commissioned officer who discharged a revolver on steamer City of Lowell while in charge of recruits Monday night has been placed under arrest at Fort Terry and will be tried by a general courtmartial.

Sprague Progressives.

The progressives of Sprague nominated Frank E. Howe for representative at Wednesday evening's caucus.

The daily average variation of the clock on the house of parliament is 0.97 of a second.

DIED.

BRENNAN—In Norwich, Oct. 10, Miss Mary Brennan of 384 Central avenue, aged about 89 years.

HOLD LONG-DISTANCE MOTORCYCLE RECORD HERE

Three Norwich Men Traveled to Columbus, Ohio.

The three men in the accompanying cut hold the record for long distance motorcycling in eastern Connecticut as no motorcyclist has covered as many miles in any one single trip as they have.

The picture was taken within 15 minutes after the arrival of the motorcyclists at the plant of the Flying Merkle company at Columbus, O. As soon as they arrived in the city one of the Flying Merkle agents met them and escorted the trio to the plant, where a camera man was all ready to take the picture. The men left here on September 16 and after an enjoyable trip, arrived back home Sunday, September 30.

One of the most interesting things about the western road was that they were nearly all vitrified with pavement in the business-sections of the cities such as we have on Franklin square. These roads are never vitrified by weathering, and are finished every night and in the morning, they are free from dirt and holes, and during the day travel is not hindered by them.

How to Make Better Cough Syrup than You Can Buy

A Family Supply, Saving \$2 and Fully Guaranteed.

A full pint of cough syrup—as much as you could buy for \$2.50—can easily be made at home. You will find nothing that takes hold of an obstinate cough more quickly, usually ending it inside of 24 hours. Excellent, too, for croup, whooping cough, sore lungs, asthma, hoarseness and other throat troubles.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents' worth) in a pint bottle, then add the Sugar Syrup. It keeps perfectly. Take a teaspoonful every one, two or three hours.

This is just laxative enough to help cure a cough. Also stimulates the appetite, which is usually upset by a cough. The taste is pleasant.

The effect of pine and sugar syrup on the inflamed membranes is well known. Pinex is the most valuable concentrated compound of Norway white pine extract, rich in quaiac and all the natural healing pine elements. Other preparations will not work in this formula.

The Pinex and Sugar Syrup recipe is now used by thousands of housewives throughout the United States and Canada. The plan has been imitated, but the old successful formula has never been equalled.

A guarantee of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

HOME DEPARTMENT SOCIAL.

Pleasant Afternoon Enjoyed at Broadway Congregational Church Parlor.

There was an attendance of about 50 at the pleasant social conducted by the home department in the lecture room of the Broadway church Wednesday afternoon. An address of welcome presented by Sunday School Superintendent H. B. Cary, who was unable to be present, was read by Rev. H. S. Worcester. Solos were rendered by Mrs. Charles T. Bard, accompanied on the piano by Miss Annie Teft, and there was an address by Rev. Mr. Worcester. Greetings from Miss Southland, a former department superintendent, were read. The rooms were prettily decorated with dahlias, asters, smilax, hydrangeas and white roses.

On the close of the formal part of the program a social hour was enjoyed and tea, cakes and wafers were served. The affair was arranged by Mrs. Emil M. Fox, department superintendent, assisted by Miss Edith Lane, secretary. Mrs. Edward S. Worcester, Miss Lucy Greenman, Mrs. Charles B. Greenman, Mrs. H. W. Gallup and Mrs. H. M. Briggs.

SUMMARY PROCEEDINGS.

Manwaring Hospital Trustees Take New Steps to Oust Dr. Dunn.

Trustees of the Manwaring Hospital association have brought summary proceedings to get Dr. Dunn out of the association's building in State street, New London. The case was heard on Dr. Dunn Tuesday and a hearing will be heard on the matter Monday next before Justice Charles E. Hickey. Under summary process if the justice before whom the suit is returned decides that the tenant is wrongfully occupying premises, he orders the tenant to vacate. Appeal from the justice's decision to the supreme court is possible, and that would hold up the proceedings several months.

Dr. Dunn has furnished the \$5,000 bond ordered by Judge Case.

Crawford Ranges

When you "dump" your old fire do you dump it into an ash pan? And then strew the floor and the cellar stairs with ashes when you carry it away?

Wouldn't a deep Hod—big enough to hold the ashes, easy and cleanly to carry—be better?

Crawford Ranges have the Ash Hod. It catches all of the ashes and can be emptied without spilling. Same size as the Coal Hod beside it. This feature is patented and only Crawford Ranges have it.

The Single Damper (patented) and the Oven heated in all parts alike by the scientific Cup-Joint heat flues are other Crawford trouble and money savers. Send for the illustrated pamphlet.
